

AXM-DIN Rail Mounting Adapter

Acuvim II, Acuvim IIBN, Acuvim L Series

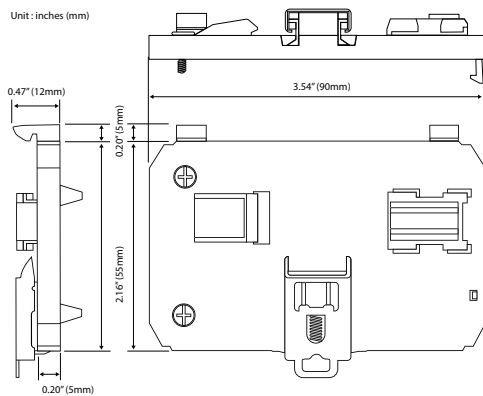

DIN Rail Adapter:

AXM-DIN Adapter allows the Acuvim II, Acuvim IIBN, or Acuvim L Series energy meters to easily be installed on either a horizontal or vertical DIN rail mount. It firmly secures the meter in place and conforms to international standards.

Features:

- Designed for standard 35 mm DIN rail
- Compatible with all Acuvim II, Acuvim IIBN, Acuvim L Series meters, AXM Modules, and I/O options
- Secure on both horizontal and vertical DIN rail
- Quick connect design: Attaches to the meter in less than a minute
- Ultra-slim design for environments with spatial constraints
