For details on the product application, the update file for the instrument, and the instruction manual, please check Hink's website.

Thank you for purchasing the module designed for use with Hick's Memory HiCorder. For more detailed information about operating precautions, module installation, and specifications, please see the instruction manual that came with the Memory HiCorder.

- 1** Remove the connection cords from all modules.
- 2** Turn off the instrument, and disconnect the power cord.
- 3** Remove the two fixing screws with a Phillips screwdriver (No. 2).
- 4** Pinch the two knobs and pull out the module.
- 5** Orient the module and insert it all the way into the instrument.
- 6** Tighten the two module mounting screws with the Phillips screwdriver.
